What are we trying to accomplish at the Parish Convocation?

The convocation is your opportunity to be part of the discussion concerning the future direction of the parish. The Parish Planning Team has identified a number of key challenges facing the parish across eight areas:

- Faith Formation
- Parish Outreach
- Communications
- Stewardship & Development
- Future Growth of the School
- Parish Life
- Administration & Finance
- Building & Grounds

We need everyone's input, ideas and suggestions on how best to solve these challenges. This is the primary focus of the convocation – **HELP SOLVE THE CHALLENGES!**

In addition, a voting activity will be conducted to **HELP PRIORITIZE THE CHALLENGES** and determine what should be worked on 1st, 2nd, 3rd, etc. This is your opportunity to be part of the Future Mission here at St. John's.

How will this unfold at the convocation?

The convocation will have three parts:

1. **LARGE GROUP PRESENTATION** to give an overview of the planning process and present the challenges.
2. **SMALL GROUP BREAK-OUT SESSION** to discuss the challenges and provide solutions.
3. **LARGE GROUP WRAP-UP & VOTING ACTIVITY** to help prioritize the challenges (We have 28 challenges, where should we start with implementation?)

It's not too late to register for the convocation!
